

#MonthOfMinistry

You are invited!

To take part in #MonthOfMinistry from 1 - 28 February 2026.

What is a #MonthOfMinistry?

#MonthOfMinistry is an annual month-long online event. It was originally inspired by #HuMayNist the online event where Humanists share more about themselves and their work in the month of May. Initiated by Rev Jo Royle and Rev Sass Adams in 2023, we started #MonthOfMinistry with the purpose of raising awareness of who we are and what we do; highlighting the diversity in the Minister body; and supporting us to connect and network with one another as Interfaith Ministers.

In 2026 the aim has changed. Inspired, in part, by the great loss in our community of Nicola Combe (who was always a big supporter of #MonthOfMinistry), instead of talking about ourselves and our work, in 2026 #MonthOfMinistry is a call to loving action in the world.

The invitation, throughout February, is to tune into what loving action the daily prompt is calling you to, to take that action and to post about it on your socials (whatever platforms you use), using the hashtag #MonthOfMinistry. Think of it as a fun way to engage with each other, our followers and social media and a chance to put more love out into the world.

This year for the first year, #MonthOfMinistry is open to anyone, so we're hoping you'll invite your followers and friends to join you in taking loving action and posting too. We'll share some graphics to support you to communicating #MonthOfMinistry to your followers.

Taking part in a #MonthOfMinistry...

It would be amazing if you could engage daily with the prompts and post on social media, but if you can only manage a few days in the month, that's OK too!

Suggested post format...

DAY 1 #MonthOfMinistry //<PROMPT>

<your thoughts on the prompt, the loving action you were guided to, what action you took & any impact, etc>

#WeAreROSIM #InterfaithMinister #MonthOfMinistry2026 #MonthOfLove

<any other hashtags you want to include>

@BringItToTheAltar @osmic_onespirit_in_connection

You are very welcome to respond to the prompts in any way which suits you... a written response; a photograph; a piece of artwork; a video; a poem; etc. We invite you not only to post but to engage with each other. You can search the hashtag #MonthOfMinistry on any social media platform to see posts.

Where do I start?

- By telling all the OneSpirit interfaith ministers you know (and friends who might engage) about #MonthOfMinistry – the more of us taking part, the more fun and the greater the impact.
- By considering the prompts... asking to be guided as to what loving action you might take against each (see the prompts below with some example loving actions to inspire you)

Meditation Sessions

We're offering 4 x free one hour meditations in January, during which we'll be connecting, asking for guidance on the loving action we might want to take against the #MonthOfMinistry prompts. You're welcome to come to all or just one or two of the sessions and to join us even if you don't intend to join the online #MonthOfMinistry. Your followers are welcome to attend too.

The Team

#MonthOfMinistry 2026 is brought to you in collaboration by
Rev Jo Royle, Rev Tania Menegatti, Rev Andrew Jones, Chris Booth, Rev Leti Hawthorn, Rev April Kling and Rev Justin Hardie.

May we recognise the ways we're already showing up with love.

May we be inspired to more loving action.

May we meet one another through the lens of loving action.

And may all we do create ripples of love in the world.
